10.45 am to 01.30 pm

### @ Seminar:

Big Data - Analytics & Development is, now-a-days, an emerging field with immense job potential due to the burst in social media and the huge volume of data that is being generated every moment. It has applications in retail, power sector, finance, telecom, healthcare, clinical research, insurance, airlines and other sectors.

Dr,V.B.Nikam sir has shared his work experience and informed the audience about the requirement in the industry – forecasts and trends in global and Indian markets, lack of skill set today, job opportunities and more importantly, what knowledge they require to get ready for the corporate world.

Prof.S.V.Pingale was present throughout session and shared his views on need of organizing such seminars in academic & delivered vote of thanks also.

Prof.S.B.Thigale, Prof.V.A.Dhotre,Prof.P.R.Gadekar took a lot of efforts for grand success of this seminar.

Total 150 Students of CSE attended this seminar along with 15 Faculty.

Mr.Pushkaraj Sonalkar & Ms.Sonal Bhosale performed anchoring for the workshop.
