

SKN SINHGAD COLLEGE OF ENGINEERING

Department of Civil Engineering

VOLUME I, ISSUE II

MAY 2014

DEPARTMENT of Civil ENGINEERING organized technical ACTIVITIES. STUDENTS PARTICIPATED IN THE ACTIVITIES WITH FULL enthusiasm. Motivational lecture by Prof. Prasad Indu was organized on "Tips for GATE Preparation".

INSIDE THIS ISSUE:

Guest Lecture on GATE Preparation-2014

Expert Talk on "Entrepreneurship"

Expert Lecture on "Project Evaluation and Financing"

Farewell Party for BE Students

Guest lecture on "GATE Preparation 2014"

Prof. V. M. Rotte addressing students.

As GATE qualification is prime requirement of admissions for Higher studies CESA and Department of Civil Engineering, SKN Sinhgad College of Engineering has taken keen interest. From this point of view and for the benefit of students with full enthusiasm CESA had organized a guest lecture on "GATE Preparation 2014" for all Final year students. The Speaker for this guest lecture was Prof. V. M. Rotte.

Prof. C. P. Pise, Head, Department of Civil Engineering, SKNSCOE felicitated Prof. V. M. Rotte, Ms. Pratiksha Sonawane introduced the speaker & welcomed all the

delegates to the lecture.

In his lecture Prof. Rotte shared his own experiences during preparations for his GATE exams. At the same time, he gives some useful tips to students about how to prepare self-notes so as to understand the particular points in books. He emphasised use of reference books only.

The Guest Lecture was anchored by Ms. Kalpana Thadake, third year Student, Mr. Harshraj More, President, CESA expressed vote of thanks.

Expert Talk on “Entrepreneurship” By Mr. Nandkumar Dupade

Present Students and Staff for Guest Lecture

As per the requirements of curriculum and the industry, students of Civil engineering should have idea of different Entrepreneurship Opportunities in the field of Civil Engineering. So that the students must able to the think in direction of Civil Engineering Entrepreneur. The Entrepreneurship Development Cell and CESA jointly organised an expert lecture on this topic on 08th February 2014. An entrepreneur Mr. Nandkumar Dupade was the guest speaker on this occasion.

The Lecture was started with introductory note of lecture by Prof. C. P. Pise, Head Dept. of Civil Engineering. Mr. Dupade, presented a slideshow which has given brief idea regarding various entrepreneur opportunities in engineering. He also appreciated the organizing committee for their keen involvement in such a most excellent programme under CESA.

The lecture was concluded with vote of thanks by Prof. S. N. Chougule. The lots of efforts were taken by all CESA committee members and other departmental students to successful accomplishment of this program.

Expert Lecture on “Project Evaluation and Financing”

Present Students and All staff members.

CESA & Department of Civil Engineering, SKN SCOE, had organized an Expert lecture on “Expert Lecture on “Project Evaluation and Financing”. The Speaker for the lecture was Prof. M.Y Sathe, From NBN SCOE, Solapur. Prof. C. P. Pise, Head, Department of Civil Engineering, SKNSCOE felicitated Prof. M.Y. Sathe. Prof. D. D. Mohite introduced the speaker & welcomed him.

In his lecture Prof. M.Y. Sathe, discussed current issues regarding Project Evaluation and Financing. He also introduced the different Value addition courses available in the market for the overall development of a Civil Engineering graduate, because after getting academic knowledge a

graduate engineer should be do practical works in field also; for that he has to do some practical courses like Auto CAD, Quantity Surveying, Project Planning, MS Project, Prima Vera, etc.

He also explained some practical situation by some real examples from his life experience. The expert Lecture was anchored by Ms. Aditi Patil, Third year Student, Mr. Harshraj More, President CESA expressed vote of thanks. Total Number of Students Attended Guest lecture: 96

FAREWELL PARTY FOR BE-CIVIL STUDENTS

All Staff & Students at Farewell Party

Civil Engineering Students Association had organized farewell party to their seniors i.e. final year students. The function was started with Saraswati Poojan and felicitation of Hon. Principal Dr. K. J. Karande sir & All the teachers by the students.

The second session of the programme is the performance of students on stage exclusively for teachers was a memorable one. Students from BE exhibited their talents as well as shared their experiences. Dance, music, mimicry made the day explicable. The students took great effort and ensured that teachers enjoy every minute. All the students from Class BE (CIVIL) expressed their thankfulness to see their teachers and were full of beans.

Prof. C. P. Pise (HOD, Department of Civil Engineering) has addressed to the students regarding their Career and future opportunities in the field of Civil Engineering, also discussed the opportunities for them and role of students in national growth and development. He also appreciated the organizing committee for their keen involvement in such a most excellent programme under CESA.

The function was concluded with vote of thanks by Mr. Vishal Gore (President, CESA). The lots of efforts were taken by all CESA committee members and other departmental students to successful accomplishment of this program Followed by Dinner to all Students and Staff.

FAREWELL PARTY FOR BE-CIVIL STUDENTS
