DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

VOLUME 10 ISSUE 2

April 2023

An **ACSES** is the Association of Computer Science & Engineering Students, which was established in year 2012 with the spirit to spread technology of Silicon Valley at its easiest way. The main objective of the association is to provide a well platform for Computer Engineering Students where they face different level of Competition and also give them chance to show their talent.

Inside this Issue

- **One Day Seminar**
- **Technozeal 2k23**
- **Parent Meet**
- **Farewell 2k23**
- **Sinhgad Hackathon 2k23**

One Day Seminar on **"How to Write Research Paper"**

The Department of Computer Science and Engineering had organized One Day Seminar on **"How to Write Research Paper"** for **"All Faculties and Students"** on 20/05/2023. In this, 69 students of Department have participated. At start, Prof. S. V. Pingale has welcomed Guest Dr. Parikshit Mahalle, Hon. Principal Dr. K. J. Karande, Hon. VP. Dr. S. G. Kulkarni. Writing a research paper is a fundamental skill for students and scholars alike. Whether you're exploring a new idea, investigating a problem, or contributing to existing knowledge, the process of writing a research paper follows a structured approach. Writing a research paper is an iterative process, and it's normal to revise and refine your work multiple times before reaching a final version. We are trying to complete the Program Outcomes of the seminar that is, the students understand the need of Research Paper, the students understand the Importance of Research Paper and students understand How to Write Research Paper. In this all faculties and Students gets an Idea about writing research paper. Whole program is executing very good as well as students and all faculty members are satisfied with this seminar. At last the Vote of Thanks are done by Prof. N. M. Sawant and program is over.

Sinhgad Hackathon 2k23

Mr. Ranjeet Kalubarme (Software Developer, CSG International,Banglore) (ALUMNI 2017)

Chief Guest for HACKATHON 2k23 Inauguration Ceremony

DAY 1(26/05/2023) at Late Night, EVALUATION has been done by Dr. V. A. Dhotre

The hackathon is a team competition for developers where participants gather in teams of **3-5 people** to create an app or hardware project without sleep over the weekend, and event sponsors provide them with coffee, food, and a place to work and play. It is the space where you can find innovative and creative ideas. You will be astonished by witnessing the blooming concepts of young minds. Every topic the participants handle will be unique and you will be carried away by their technical knowledge in creating complex solutions effortlessly. A Hackathon is the right place for the birth of creative ideas. Every year our Department is hosting this Event so that students can boost their skills creatively *"***Hackathon2k22***"* always treat as Internal Hackathon for Smart IndiaHackathon.
