Webinars

Industry interaction should continue to remain the sole responsibility of the Institution. In other words each Institution will continue to be responsible & accountable for the placement of its students, for which they will perform all activities including liaison with Corporate and companies, Accreditation of their Institutions with corporate & companies, etc. Placement is the sole responsibility of students. The Training & Placement cell & various other faculty members only facilitate & provide the guidance to the students.

The Event Virtual Campus was organized by ETELSA under the department of E&TC on Friday 13th may. It is preceded by lamp lightening ceremony by guests. It had three rounds: Aptitude + GD + Interviews. All the rounds were conducted by industrial experts. First day Aptitude is conducted for total 88 students. Out of 88 students, shortlisted students appeared for GD. GD shortlisted students were appeared for Interviews. Function was ended by valedictory function where winners of each round are awarded by medal, cash prize and appreciation certificate

Savitribal Phule Jayanti
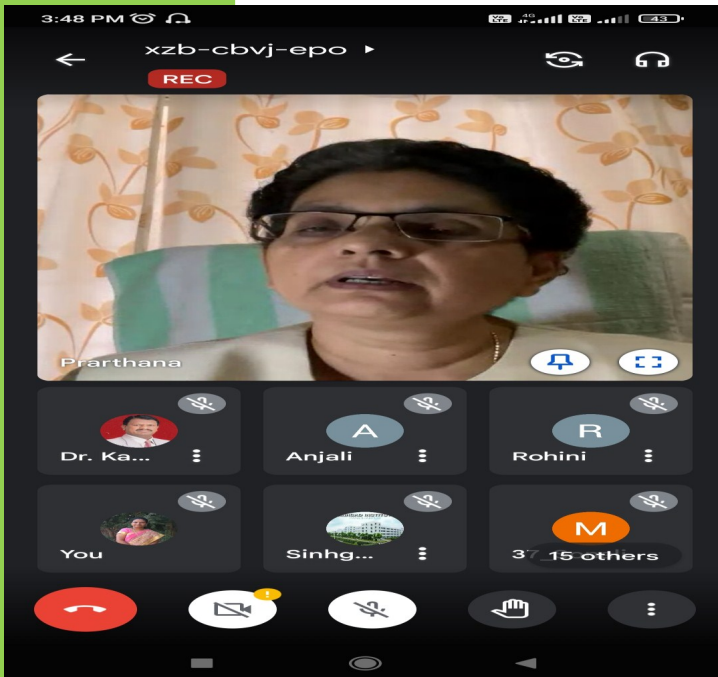

"Go, get education…" was Savitribai Phule's appeal to women, in particular, and to people from the backward castes. She exhorted them to get an education as a means to break free from the shackles of socially-constructed discriminatory practices.

By keeping this in mind the event is organized. The event was very victorious on all fronts. We all were interacted with the Hon'ble Adv. Sadawarte. Her work, her Study, what she have achieved is a milestone to our girls students. At the end we promised ourselves to stand with each other and will try to get positive changes in the society.
