MESSAGES

MESSAGE OF PRESIDENT

PROF. M. N. NAVALE

तमसो मा ज्योतिर्गमय, Lead us to the light.

Education is light. Education is the way to a larger purpose. As an educationist, almost two decades back, I looked at all that could be corrected in the educational system. Sinhgad Technical Education Society was our humble effort to bring education to more people. Education that they need. Education that they desire for. Education that is now within their reach.

We always put purpose before short term achievements, vision before short-cuts. In two decades we have come a long way. What started as a humble dream is now a revolution. To see over seventy thousand students pursuing their dream in our campuses every year, cannot be explained any better. Everywhere you look, you see a young mind creating a new future for the world. In his fertile imagination, he has no obstacles. He knows there is a guide nearby who will hold his hand if he were to miss a step. He is free to foresee a world better than what you and I have made.

It is this environment of excellence and freedom that we have built into our institutions. Every time I see a child struggling with the complexities of a syllabus, I just say, look deep, it is simple.

In the twelve campuses and our 117 institutes, we have just kept one thing common, a burning ambition. We have come a long way. And what we cultivate in our students, we keep alive for ourselves. The ambition to build India into an educational leader in the world. We walk on, with faith, with commitment and with grace.

Come join us in our march towards light.

MESSAGE OF VICE PRESIDENT (ADMIN)

Ms. Rachana M. Navale

Some tools shape our destiny.

Passion, expertise, excellence and humility are the hallmarks at Sinhgad Institutes. When you walk through our campuses, at times you would be awed by the sheer energy around you. We take every possible step to continuously outdo ourselves. With some of the best facilities that you have ever experienced in any institution, we just keep moving forward.

Learning deserves a befitting environment. Self-contained campuses, at the seat of nature, technology and wisdom having a silent interaction, cultures mingling without semantics, life essaying the king's course. All that you experience when you are here, with us.

We reserve some special favors for the women in our campus. Safety, dignity and opportunity. It deserves a special mention as many educational institutes today do not value this simple basic. Our society grows as far as our leading ladies.

Education is the light; education is the way. It is the tool that alters the path of our lives. At Sinhgad, we hand you this tool with all the accessories. Learning here is not just fun, it is a life-changing experience.

Remember, few choose to walk the road to greatness.

VISION & MISSION

... The Man with Imagination Is Never Alone

VISION

We are committed to transform SKN SCOE, as a leading technological institute in India which offers a dynamic learning environment with value based education through self-learning and innovative thinking in students.

MISSION

SKN Sinhgad College of Engineering offers a unique culture to enhance Self Esteem, Team Spirit, and Life Skills of students to match the need of fast changing world. The institute focuses on self-learning abilities; Project based Learning's through well-defined curricular and co-curricular activities.

GOALS

GOALS

SHORT TERM GOALS	LONG TERM GOALS
✓ Post graduate program in Engineering with all disciplines	✓ Center of Excellence in key areas of Engineering Education
✓ Need based in-house value Addition programs in diversified areas	✓ NBA accreditation of the Institute within stipulated time frame
✓ Strong Industry interactions through campus connect programs.	✓ PBL center of excellence
✓ Decentralization of student, academic, research activities	✓ All faculty members with PhD degree
✓ European fellowship for 25 students.	✓ PhD from European university by at least two faculty members from each department
✓ Placement of 100+ students through CPC, Pune	✓ Starting of in house incubation center for development of Entrepreneurship
✓ Starting of in house MPSC/UPSC study circle	✓ An ideal self-suffice campus in all respect

ACTIVITY

...It is not what we have, but how we make the best of what we have.

ACTIVITY

Academic Activities	Co-Curricular Activities	Faculty Development And Industry Interface
➤ Teaching Plan	➤ LCD Presentation	➤ In-house Training (Personal Interactions, Meetings/quality improvement programs)
➤ Self-Learning Sessions	➤ Group Discussion	➤ Industry exposure
➤ Attendance	➤ Departmental Activities	➤ Participation in workshops conducted by Industries / other institutes of eminence
➤ Teacher Guardian Scheme	➤ Invited talks by Industry Experts/Corporates/Academicians	➤ Motivation for higher Education
➤ Continuous Assessment	➤ Technical quizzes/ Technical festivals	➤ Campus Connect/ extension programs
➤ Need based in house Training Programs	➤ Industry Projects/ Project exhibitions	➤ Vocational Training for students/ Industrial visits
➤ Continuous Up-gradation of Laboratories & library	➤ College/Wall Magazine	➤ Training & Placement Activities
➤ Open Feedback	➤ Social/Cultural Programs/Sport	➤ Seminars & Conferences
➤ Unit Tests, Prelims		
➤ Well defined Internal Assessment Scheme		

INTAKE

U. G. Courses		Intake
1	Mechanical Engineering	180
2	Electronics & Telecommunication	60
3	Computer Science & Engineering	60
4	Electrical Engineering	60
5	Civil Engineering	60
P. G. Courses		Intake
1	Design Engineering	24
2	Electronics Engineering	24
3	Structural Engineering	24
4	Computer Science & Engineering	24
