How is the college environment :-

That is always Golden days in all of us. Education is everything But place is also matters alot in that journey. our college is very much Suitable for education.

Comment on college placement infrastructure :-

No Comment.

Teaching faculty feedback :-

Teaching faculty also takes much efforts to lay their knowledge to students. Best faculty & friendly environment.

Suggestions:-

College environment is Best only all students have to decide their goals & college have to make platform to achieve goals of students.
