

YEARLY STATUS REPORT - 2023-2024

Part A

Data of the Institution

1.Name of the Institution	
	SKN SINHGAD COLLEGE OF ENGINEERING
• Name of the Head of the institution	Kailash J. Karande
• Designation	Principal
• Does the institution function from its own campus?	Yes
• Phone no./Alternate phone no.	+918046881444
• Mobile No:	7350508899
• Registered e-mail	principal@sknscoe.ac.in
• Alternate e-mail	kailashkarande@yahoo.co.in
• Address	At Post Korti, Taluka: Pandharpur
• City/Town	Pandharpur
• State/UT	Maharashtra
• Pin Code	413304
2.Institutional status	
• Affiliated / Constitution Colleges	Affiliated
• Type of Institution	Co-education
• Location	Rural

• Financial Status	UGC 2f and 12(B)																		
• Name of the Affiliating University	Punyashlok Ahilyadevi Holkar Solapur University, Solapur																		
• Name of the IQAC Coordinator	Prof. Namdev M. Sawant																		
• Phone No.	+918046881444																		
• Alternate phone No.	8806806756																		
• Mobile	9881280105																		
• IQAC e-mail address	namdev.sawant@sknscoe.ac.in																		
• Alternate e-mail address	namdevsawant@gmail.com																		
3.Website address (Web link of the AQAR (Previous Academic Year)	https://sknscoe.ac.in/AQAR.php																		
4.Whether Academic Calendar prepared during the year?	Yes																		
• if yes, whether it is uploaded in the Institutional website Web link:	https://sknscoe.ac.in/academicCalendar.php																		
5.Accreditation Details																			
<table border="1"> <thead> <tr> <th>Cycle</th> <th>Grade</th> <th>CGPA</th> <th>Year of Accreditation</th> <th>Validity from</th> <th>Validity to</th> </tr> </thead> <tbody> <tr> <td>Cycle 1</td> <td>A</td> <td>3.02</td> <td>2017</td> <td>30/10/2017</td> <td>29/10/2022</td> </tr> <tr> <td>Cycle 2</td> <td>A+</td> <td>3.28</td> <td>2023</td> <td>01/05/2023</td> <td>30/04/2028</td> </tr> </tbody> </table>		Cycle	Grade	CGPA	Year of Accreditation	Validity from	Validity to	Cycle 1	A	3.02	2017	30/10/2017	29/10/2022	Cycle 2	A+	3.28	2023	01/05/2023	30/04/2028
Cycle	Grade	CGPA	Year of Accreditation	Validity from	Validity to														
Cycle 1	A	3.02	2017	30/10/2017	29/10/2022														
Cycle 2	A+	3.28	2023	01/05/2023	30/04/2028														
6.Date of Establishment of IQAC	01/09/2017																		
7.Provide the list of funds by Central / State Government UGC/CSIR/DBT/ICMR/TEQIP/World Bank/CPE of UGC etc.,																			

Institutional/Department /Faculty	Scheme	Funding Agency	Year of award with duration	Amount
Dr. S. G. Kulkarni	Unnat Bharat Abhiyan	Government	2023-24 for 1 year	50000
Dr. C. P. Pise, Prof. G. D. Lakade	SEED Money Solapur University	P.A.H. Solapur University, Solapur	2023-24 for 2 year	70000
Dr. S. S. Kulkarni	SEED Money Solapur University	P.A.H. Solapur University, Solapur	2023-24 for 2 year	75000
Dr. A. O. Mulani	SEED Money Solapur University	P.A.H. Solapur University, Solapur	2023-24 for 2 year	80000
Prof. A. A. Chandane	SEED Money Solapur University	P.A.H. Solapur University, Solapur	2023-24 for 2 year	85000
Prof. A. O. Mulani	Conference	P.A.H. Solapur University, Solapur	2023-24 for 2 days	25000
Dr. S. V. Pingale	FDP	Maharashtra State Faculty Development	2023-24 for 5 days	119000

8. Whether composition of IQAC as per latest NAAC guidelines	Yes
<ul style="list-style-type: none"> • Upload latest notification of formation of IQAC 	View File
9.No. of IQAC meetings held during the year	2
<ul style="list-style-type: none"> • Were the minutes of IQAC meeting(s) and compliance to the decisions have been uploaded on the institutional website? 	Yes

<ul style="list-style-type: none"> If No, please upload the minutes of the meeting(s) and Action Taken Report 	View File	
10. Whether IQAC received funding from any of the funding agency to support its activities during the year?	No	
<ul style="list-style-type: none"> If yes, mention the amount 		
11. Significant contributions made by IQAC during the current year (maximum five bullets)		
Implementation of NEP-2020		
Preparation of NBA		
Initiatives for Patent Publication		
12. Plan of action chalked out by the IQAC in the beginning of the Academic year towards Quality Enhancement and the outcome achieved by the end of the Academic year		
Plan of Action	Achievements/Outcomes	
Improve teaching learning process as per NEP	Adopted Curriculum as per given by P. A. H. Solapur University w. e. f. 2023-24	
Application for NBA Accreditation	Institute submitted SAR of three department ENTC, MECH and Civil dated on 14th February 2024	
Filing patent	Total 34 patent got published and 6 got granted	
13. Whether the AQAR was placed before statutory body?	No	
<ul style="list-style-type: none"> Name of the statutory body 		
Name	Date of meeting(s)	
Nil	Nil	
14. Whether institutional data submitted to AISHE		

Year	Date of Submission
2025	16/01/2025

15. Multidisciplinary / interdisciplinary

By keeping in view the current changing trends in technology, the institute incorporated interdisciplinary/multi-disciplinary courses into the curriculum. As per the model curriculum of AICTE, the University integrates various interdisciplinary courses into the syllabus through basic science courses, humanities and social science courses, engineering science courses and management courses. As our institute is affiliated to Punyashlok Ahilyadevi Holkar University, Solapur, Institute follows the syllabus set by the University. Students are extensively trained in new age skills through various skill development activities.

16. Academic bank of credits (ABC):

Since SKN Sinhgad College of Engineering is affiliated to PAH Solapur University, Solapur. However, our institute has registered to National Academic Depository portal. As per guidelines of university student have created their ABC ID.

17. Skill development:

As new age skills are required for employability, the institute initiated various skill development programs through Training and Placement cell. Students are encouraged to participate in various skill development activities that results in knowledge, certifications and employment.

18. Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

The institute conducted Webinar series through which students are exposed to need and importance of protecting indian traditional knowledge related to science, engineering, agriculture and medicine. Apart from this, students are sensitised in universal human values during the induction program as well as through syllabus.

19. Focus on Outcome based education (OBE): Focus on Outcome based education (OBE):

The Institute has implementing Outcome based education through assessment and evaluation practices in teaching and learning process to reflect the achievement of high order learning. The basic purpose of implementation is to understand fundamentals very well, and also learning new skills or competencies that would enable individuals to

cope with the demands of the rapidly changing workplace. Following efforts are taken by the Institute to inculcate the OBE process: Institute has organised various awareness workshops on Outcome based education for faculty members. The content of workshops mainly enlightened importance of revised blooms' taxonomy, designing of quality question bank and test paper. In addition to this a case study on mapping of course outcomes with Program outcomes has been demonstrated to the faculty members during the workshop. Subject teachers have prepared question bank and designed Test examination paper as per OBE format which includes course outcome, blooms level and performance indicator. Assessment and evaluation is done with reference to course outcome. Course attainment is achieved by using Continuous internal evaluation (ICA and ISE) and End semester evaluation weightage method. The process for finding the attainment of Course outcomes uses Continuous Internal evaluation (30%) and End-semester Evaluation (70%). Continuous Internal evaluation (30%): In-semester evaluations are measured from direct and indirect evaluation which has a weightage of 80% and 20% respectively. Direct Evaluation (80%) display the student's knowledge and skills from their performance. The direct evaluations includes internal test examination and assignment. These methods provide a sampling of what students know or can do and provide strong evidence of student learning. Indirect Evaluations (20%) includes course exit survey which is taken upon completion of the course. End-semester Evaluation (70%): The external evaluations includes End Semester Examination (ESE) conducted by the University

20.Distance education/online education:

The institute participated extensively in MOOC's through NPTEL courses since 2017. Students and faculty are encouraged to complete various certification courses offered by SWAYAM/NPTEL/Coursera/EDX/Infosys Springboard. Students are offered flexibility to complete one elective course through NPTEL. The institute is also recognised as a remote centre for IIT Bombay and ISRO. Institute is recognized as super RC for Spoken Tutorial project funded by the National Mission on Education through Information and Communication Technology (ICT). Institute is nodal center of Amrita Vishwa Vidyapeetham, College of Engineering, Pune and IIT Bombay for Virtual Lab practice under which Institute conducts experiments regularly. The Institute also got appreciation letter from Amrita Vishwa Vidyapeetham as one of the top performing nodal centers based on virtual lab usage and activities. Students and staff are extensively trained in various courses through spoken tutorial.

Part B	
CURRICULAR ASPECTS	
1.1 - Curricular Planning and Implementation	
1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process	
<p>Institute is affiliated to Punyashlok Ahilyadevi Holkar Solapur University, Solapur. Institute started to follows the National Education Policy based curriculum as prescribed by the University. Institute has a well defined planning and implementation process for the effective delivery of the curriculum. With reference to curriculum, subject distribution is made based on expertise of faculty members and their respective subject choice. The Academic Committee prepares the Academic calendar and Activity calendar for every semester in accordance with the University academic schedule, which comprises the semester duration, internal examinations and assessments of theory and lab courses, guest lectures, workshops, technical events etc. and disseminates it to the departments. In addition to this, the norms of Internal Continuous Assessment (ICA) and In-Semester Evaluation (ISE) are prepared. ICA consists of term work part of the subject, seminar and project. ISE consists of internal tests and assignment. Faculty members prepares the course file for each course based on Blooms' Taxonomy and maps it with Program Outcomes (POs) and Program Specific Outcomes (PSOs). The department prepares the timetable for theory, lab courses, and project work based on the credits allotted for each course, along</p>	

with slots for activities of Training and Placement cell. The subject teacher prepares a comprehensive teaching and practical plan with reference to time-table.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

Academic calendar is prepared by Dean (Academics) in consultation with Principal and Head of Departments. At the beginning of academic session, students are acquainted of academic calendar and same is uploaded on college website and displayed on notice boards and at strategic locations. Only head of the institution can incorporate minor changes in academic calendar considering the unexpected circumstances. The schedule of all Examinations is given in academic calendar. The subject teachers announce the syllabus and display question bank for various tests as per the academic calendar. The slots of the various tests are mentioned in the academic calendar. Examination schedule of these exams is announced and displayed in advance by Dean (Academics). Display of marks is also as per the schedule given in academic calendar. Various departmental as well as central activities are incorporated in academic calendar.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

Institute follows the curriculum provided by the Punyashlok Ahilyadevi Holkar Solapur University, Solapur. 1. First year students have a compulsory subject named "UNIVERSAL HUMAN VALUES" in their curriculum. 2. All the students learns Environmental Science subject in second year which is included in the curriculum of all the Branches of Engineering. 3. As per the curriculum, there is one subject named Professional Ethics and Human Values for Third Year students of all branches. Hence all the Third Year students undergo this course. 4. Under Internal Complaint committee and Savitribai Phule Girl's Forum, various lectures and workshops are organized to address the issues related to gender. Gender audit carried out every year.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

Student representation is diverse not only in terms of regional and linguistic aspects but also their level and pace of

comprehensibility. Since it would be inappropriate to divide a class into groups based on students' level of comprehension, classroom observation, interaction, continuous and periodic assessment are used as a measuring system to assess learning levels of the students. Departments prepare the schedule for organizing remedial classes whenever required for slow learners. Teachers give one to one attention in remedial classes and focus on individual problems in a better manner when compared to a regular classroom in which the advanced learners' participation may inhibit the others from voicing their problems. The departments use monitoring and mentoring to keep track of slow learners' progress. Along with teachers some advanced learners are encouraged to guide slow learners and help them with explanation and notes. Revision classes and counselling sessions are held and additional teaching taken up if required. Some of the special programmes arranged are Spectrum, WEENGs, and various Technical Departmental Workshops/Seminars/Webinars. Advanced learners are encouraged to participate in state and national-level project competitions, NPTEL certifications.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

The institute makes efforts to ensure the use of student-centric methodologies for overall development and to enrich students' learning experiences. These methodologies are adapted to better understand and involve students. All department conduct innovative programs to encourage the creative ability and cognitive levels of the students and provide them a platform to develop their problem-

solving ability, experiential learning practices and ensure participative learning. **Experiential Learning:** Students undergo internship, to get hands on training while working in the Industry. To get exposure of industrial environment and enhance their conceptual understanding and practical knowledge Industrial Visits are organized. Virtual laboratories under IIT Bombay, Amritha University forum are used for conducting laboratory sessions. **Participatory Learning:** Students enroll and complete the MOOC courses, NPTEL, spoken tutorial. Institute organizes "Weeng's", "UG-CON" and "PG-CON" where students participate in teams for, project development. National Social Scheme (NSS) helps students to work in teams and learn the importance of social, environmental aspects.

Problem-solving methods: Students undertake projects to solve industrial, societal and environmental problems. Hackathon, IDEATHON, Hackathon, Spectrum, problem statement and poster presentation, Coding competition, CADWAR, WEEBGS, Business Idea Competitions such various events institute organizations to enhance problem solving skill of students.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

The integration of Information and Communication Technology (ICT) in education has transformed traditional teaching-learning processes, making them more interactive, engaging, and effective. At our institution, every department is equipped with smart classrooms, each connected to high-speed internet, creating a technology-driven learning environment. Teachers utilize a wide range of ICT tools to enhance pedagogical methods and cater to diverse learning styles. Multimedia tools such as PowerPoint presentations, animations, and videos help explain complex concepts visually, fostering better understanding. Interactive platforms like Google Classroom, and Moodle enable seamless communication, assignment management, and real-time feedback.

The use of ICT not only enriches the teaching-learning experience but also promotes collaborative learning, critical thinking, and digital literacy among students, equipping them with skills for the

modern world.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The institute communicates the norms of internal assessment to the students well in time in order to ensure the transparency in internal assessment. Principal holds the meetings of the Head of all departments and directs them to ensure effective implementation of the evaluation process. Students who are admitted for the concerned course are assessed continuously through various evaluation processes at the college and University level. Continuous evaluation is made through Group Discussion, Unit Tests, Assignments Submission, Field Visits and Seminar Presentations. Unit tests are conducted regularly as per the schedule given in academic calendar. The performance of the students in the tests is displayed on the Notice board and communicated to the students. Personal guidance is given to the poor performing the students after their assessment. The method of internal assessment helps teachers to evaluate students more appropriately. Due to internal assessment, interest of the student towards learning and attending classes has been

increased. It has created the interest among students to take active participation in various co-curricular and extra-curricular activities for their overall development. Seminar presentation, LCD presentation and Group discussion improves the communication skills of the students which is very essential to face the interviews.

File Description	Documents
Any additional information	No File Uploaded
Link for additional information	Nil

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

Any grievances related to subject question papers like out of syllabus question, repeated questions, improper splitting of marks, marks missed, and wrong question number during semester exams are addressed to the Supervisor and the same is reported to the concerned faculty immediately. After Evaluation, every subject teacher gives 2-3 days to the students for any corrections or modifications in the test marks. If any modifications in marks are there, then respective subject teacher considers the same and do the corrections accordingly.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

University provides the syllabus of all the subjects along with its course outcomes. Following mechanism is followed by all the departments to communicate the learning outcomes to the teachers and students. 1. Hard Copy of syllabi and Learning Outcomes are available in the departments for ready reference to the teachers and students. 2. Soft Copy of Curriculum and Learning Outcomes of Programme and Courses are also available in the departmental library for reference. 3. The importance of the learning outcomes has been communicated to the teachers in the department meetings in the starting of the semesters. 4. The students are also made aware of the same through induction programme of the department. 5. At the

beginning of a course along with the syllabus, students are made aware of the outcome of the course by the respective course teachers.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

Assessment of teaching and learning activities is validated through two distinct mechanism. In the first stage, attainment of course outcomes for each course was calculated based on direct and indirect assessment and in second stage, course outcomes for all courses were mapped with defined POs and PSOs with correlation levels -1, 2, and 3. Attainment of Course outcomes: Course outcomes reflect different cognitive levels of each course. It is done on the basis of revised Bloom's Taxonomy. The students'

ability to remember and understand are tested through Multiple Choice Questions, Short Answer Questions, Quiz, Snap Test and Oral Test, whereas their ability to apply, analyse, evaluate and create are assessed through Seminar, Assignments, Practical Examinations, Field Internship and Project Works. Attainment of course outcomes is validated through direct and indirect attainment. Direct Assessment (80%): Continuous Internal Evaluation End Semester Examination
 Direct Attainment= 30% of Continuous Internal Evaluation +70% of End Semester Examination
 Indirect Assessment (20%): Course exit survey is taken from the students through online mode. This online feedback about overall teaching performance of each faculty member is conducted internally during the semester. CO Attainment= 80% of Direct Attainment + 20% of Indirect Attainment

3.3 - Extension Activities

3.3.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

Institute has been in the forefront in sensitizing its students pertaining to social issues through its curriculum and extension activities. Institute organizes blood donation camps, education awareness programmes, gender equality awareness activities and visits to the villages in the vicinity to create awareness among the dwellers. Different departments undertake social outreach activities which are meant for helping society and training students to shoulder all responsibilities with ease and impact. The NSS Cell in collaboration with different agencies led extension activities to address local issues and sensitize students for their holistic development. To address the issues of cleanliness, health care, alcohol addiction etc. the students and teachers have collaborated to help society and local communities.

INFRASTRUCTURE AND LEARNING RESOURCES**4.1 - Physical Facilities**

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc.

Institute encompasses a well maintained lush green campus spread over 20 acres of land ensuring adequate availability and optimal utilization of physical infrastructure for teaching learning activities. Classrooms: Institute have good number of wellfurnished, well ventilated, spacious classrooms equipped with LCD projectors for conducting theory classes. Technology Enabled learning facility: Institute has ICT Classrooms where the provision

of Multimedia learning, Wi-Fi connectivity and internet access is given. Seminar Hall: Institute has multiple seminar halls. These halls are regularly used for conducting national / international seminars. Students are promoted for active involvement in paper presentations, group discussions, etc. Tutorial rooms: Separate tutorial rooms are available for tutorial, doubt clarification and special remedial classes. Laboratories: All laboratories are well equipped with state of the art equipment and facilities. All the laboratories are established as per AICTE and Punyashlok Ahilyadevi Holkar Solapur University norms. Wi-Fi: The campus is enabled with Wi-Fi internet facilities to the students and staff. Available bandwidth: 300 Mbps. Central Library: Central library is computerized by automating the issue of books with bar code reader. Library has

4.1.2 - The Institution has adequate facilities for cultural activities, sports, games (indoor, outdoor), gymnasium, yoga centre etc.

Institute integrates sports and extra-curricular activities as essential components. This is done not only for participation but also for assessment of students. It has adequate facilities for sports, games and cultural activities. Institute has three different playgrounds with provision for multiple games such as Athletics, Cricket, Football, Volleyball, Basketball and Kho-kho. All faculties have well-equipped assembly halls for organizing annual functions and cultural events. Major cultural events are organized at the majestic DEI Convocation Hall and also at the International Seminar Hall Complex. Facilities for indoor games that include carrom, table tennis and chess also exist. Sports competitions are organized regularly every year for the students and faculty members. Students are always motivated to participate in Zonal and Inter-Zonal National Youth Festivals competitions and other cultural and sports events outside the campus. Special classes on self-defense are organized specially for female students. National Independence Day and Republic Day are celebrated in the Institute by unfurling the national flag followed by a guard of honor of the Chief Guest by school students, an impressive march past of students on the beats of the students' band and organization of athletic events.

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

Institute has well-defined policy and system in place for maintenance and utilization of all its physical and academic facilities. Classroom management: Classrooms are well equipped with LCD and other tools for better and effective teaching. Cleaning and maintenance are done on a regular basis. Laboratory: Institute has 5 Engineering departments, laboratory policy forms the core in working of the institution. General Instructions to students regarding safe and secure usage are displayed in each lab. Library: Library has its own mechanisms and system in place to identify the purchases based on courses offered, check on the facilities to be provided for the students and staff. Sports: Sports committee looks after maintaining the sports ground and sports equipment. Committee organizes various indoor and outdoor sports competitions for students. For holistic development, students are encouraged to participate in the competitions. The celebration of the International Yoga Day has become a regular affair and many students and staff participate in the same.

Computers: Maintenance of computers and updating software is done on regular basis. Policy is developed to maintain a balanced student and computer ratio, so that all students will be benefited for academic purposes.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

Class Representatives: All classes have one student designated as class representative. They are responsible for representing any issues related to academics/non-academics to concerned HoDs/Class teacher. **Student clubs/Association:** Departments organize the activities through student clubs. Each club is run by students. Clubs have well defined structure & assigned roles. Following clubs are presently operational:

- Innovation Club
- GATE forum

- Competitive Exam
- NSS Club
- Students Council
- Institute Innovation Students Council
- Electronics & Telecommunication Students Association (ETELSA)
- IETE Student Forum (ISF)
- Association of Computer Science and Engineering Students (ASCES)
- Mechanical Engineering Students Association (MESA)
- Electrical Engineering Students Association (EESA)
- Civil Engineering Students Association (CESA)
- Computer Society of India (CSI)

Cultural and Sports Committees: Students have strong representations in all cultural and sports committees. They help in organization and management of events. **Hostel Administration:** Students provide strong support in the administration and management of hostel affairs. **Placement Committees:** Students are important components in placement activities. Student members are being involved for coordinating the activities during placement drives at campus. **Technical Events:** Student are part of organizing committees for all the activities at department/institute level. Some of these activities include conferences, coding & project contests, Virtual campus, quiz competitions, student club activities etc.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

The governance and leadership in the institute is functioning in accordance with vision and mission of the institution. The Governing body takes policy decisions regarding the functioning of the institute. Principal is authorized to implement the decisions at institute level in a decentralized approach. All the HoDs in consultation with the Principal take decisions to execute day-to-day and semester-wise academics and administrative work. Each department conducts regular meetings to convey the decisions made in Principal-HoD meeting. The Principal is administrative link between management, stakeholders and the society. Institute has vision to implement student centric activities to lay the foundation for building bright career of the students. Based on constructive suggestions from parents, employer, alumni faculty members and students, various activities are carried out in the Institute. Proper execution of methods to achieve these standards is monitored strictly. Platform for leadership is also provided by giving responsibilities in the areas of different inter-departmental activities like examination, Industry-Interaction, Training & Placement and intra-departmental activities, coordination of student associations, entrepreneurship development coordinator, project coordinator, Class coordinator, sports & cultural coordinator and Laboratory Incharges. Grooming of Leadership at various levels is carried out by analysing the facts and figures based on performance and leadership quality exhibition. Responsibility to perform all the activities of a particular class is assigned to class coordinator. Institute has tradition to involve all faculty members through proactive engagement to uplift performance of institute and enough space to improve leadership qualities.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

University curriculum is strictly adhered to and faculty members and students are encouraged to take up online short term courses to enhance skills and technical abilities. Encouraging high quality research, Industry engagement, Entrepreneurship, Alumni engagement and Social outreach that are targeted at helping people of the nearby location. Activities are planned at the beginning of every semester through the Academic Calendar and suggestions are sought from faculty members. The plan is finalized by the Head of all the departments in consultation with their faculty members. This plan is then discussed in the HODs meeting with the Principal. Features of the strategic plan are as follows:

- Developing multidisciplinary innovation ecosystem, leading toincubation at institute, project based learning for students.
- Publishing articles in reputed journals by faculty members andencourage students to do the same.
- Presenting projects at reputed institutes by students
- Increase number of Patent filing
- Sign MoU with industry for training, interaction, inviting experts for interactive sessions.
- Introduce Certificate/Value Added Courses

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

Institute has well-defined decision-making procedures like Governing Body (GB) and LMC/CDC of institute are well structured. The decisions taken by the GB and LMC/CDC are informed by the Principal to all teaching and non-teaching staff members. Office administration, academics, training & placement, extra-curricular activities and various committees are the primary sectors with which the functioning of institutional bodies accomplishes effectively and efficiently. Along with statutory committees, various other committees are also functional for implementation of policies by making strategic, perspective & development plans. Student council, clubs and associations works for overall development of the students. Office administration includes Account, Examination, Scholarship, Students and Establishment Section for smooth functioning of administrative set up.

The Institute has a perspective plan for development of all the faculty members including highest academic qualification and growth in the field of research & consultancy. Efforts are made in this direction to encourage the faculty members for higher studies. Presently 15 faculty members are pursuing their Ph.D. Institute has received approval for Ph. D. Research Centre in Electronics, Civil and Mechanical Engineering by the PAH Solapur University. Institute ensures overall development of faculty and staff like deputation to higher studies, skill up gradations, promoting research and consultancy activities. Management supports staff for participation in STTPs, conferences, workshop and orientation programs by providing duty leaves. Management also offers monetary and promotional benefits to staff based on performance and appraisal reports.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

Institute strictly follows the UGC Regulations on minimum Qualifications for Appointment of Teachers and other Academic Staff. Performance of each employee is assessed annually after completion of academic year. Objective is not only to evaluate the performance as per established norms, but also to identify potential

aspects for improvement that can eventually lead to further progress and growth of employee. Salient features of performance appraisal system are as follows:

1. Promotions and increments are based on the performance based appraisal system.
2. Institute undertakes wide range of activities besides academics, for which faculty members are assigned additional duties and responsibilities, which are mostly voluntary.
3. Institute accords appropriate weightage for these contributions in their overall assessment.
4. Faculty members are informed well in advance of their due promotion.
5. Appraisal form filled by the Faculty Member is checked and verified by the Heads of the Departments, followed by the Principal.
6. Faculty members whose promotions are due are recommended based on their performance. All non-teaching staff are also assessed through annual performance appraisal. Various parameters for are assessed like capacity to do hard-work, Discipline, Reliability, power of drafting, efficient organization of documents and technical abilities.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

Institute is a self-financed institution, where funds are generated through the fees paid by the students. Deficit is managed by taking advance from management. Institute has welldefined mechanism tomonitor effective and efficient utilization of available financial resources for development of academic processes and infrastructure.

- Institutional budget is prepared by Accounts department every year taking into consideration of recurring and nonrecurring expenditures.
- All administrative and academic heads are requested to submitthe budget required for the subsequent financial year.Also, coordinators of different cells are instructed to submit their budget.
- All major financial decisions are taken by the Director and

Accounts department with Management of college.

After final approval of budget, purchasing process is initiated by purchase committee, accordingly the quotations called and after the negotiations purchase order are placed. Payments are released after delivery of the respective goods. All transaction has transparency through bills and vouchers. Payments are passed after testing & verification of items. Respective faculty member ensures that whether suitable equipment/machinery with correct specification is purchased. Entire process of the procurement of the material is monitored by the Purchase committee. Financial audit is conducted by chartered accountant every financial year to verify compliance.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

IQAC Cell of the institute works towards improving and maintaining the quality of education, identifying and suggesting new ways of using teaching aids, developing suitable infrastructure, and getting funding through different agencies. IQAC is an effective and efficient internal coordinating and monitoring mechanism. IQAC plays a vital role in maintaining and enhancing the quality of the institution and suggests quality enhancement measures to be adopted. IQAC meets every semester/year to plan, direct, implement and evaluate the teaching, research, and publication activities in the Institute. The sub-committees dealing with various activities and departments implement the IQAC guidelines and report the feedback. IQAC strives to spread quality culture through quality enhancement initiatives and best practices. Significant improvements in quality have been made by following IQAC initiatives:

- Academic results
- Student technical training
- Student soft skills development
- Students Placement
- Faculty development programs
- Research and development
- Interaction with industry

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

After establishing the IQAC, Institute started working towards quality education and inculcating quality culture among the students and staff. IQAC has also contributed towards the quality assurance strategies and developed various processes as follows:

- Promote industrial involvement by organizing industrial visits, workshops and guest lecturers from industry experts, MOUs, etc.
- Implementation of Outcome-based learning in each program.
- Introduced the aptitude classes and soft skill classes
- Participation in the NIRF, ARIIA, AISHE and various other quality audits recognized by the state and national agencies.
- Strengthened the Institute Innovation Council (IIC) activities
- Increased number of Research and Development activities.
- Conducting quality programs like International conferences
- Improved number of quality seminars, webinars, guest lectures, etc.
- Increase number of patents & copyrights

In addition to these initiatives, IQAC also works on improving the teaching-learning process and supports adopting Outcome-Based Education (OBE) in all programs run by the Institute gradually. A result-oriented, performance-based model is adopted that emphasizes accountability based on student learning.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

Institute shows gender sensitivity through various initiatives and actions for creating safe, secure and healthy atmosphere in the campus. Sensitization of the students is done through special lectures and functions. Specific initiatives with respect to key areas are as follows:

- **Hi-Tech Surveillance system:** Surveillance with high resolution cameras through day and night facility of distributed recording in control room has been set up in the campus. Entry of unwanted person is monitored through these cameras. This system ensures that all female staff, students can move freely in the campus.
- **Hostels:** Separate hostels for boys and girl students exist in the campus. Behavior of students is monitored under set of well-defined rule under guidance of wardens. All student and staff wear ID cards all times in the campus thus

ensuring non entry of unauthorized persons.

- Security personnel: Institute has strong security personnel deployed all around the campus to create secure environment.
- Medical Facilities: Qualified female doctor and nursing staff is available in the campus to provide medical care to the students.
- Rest Room: In each floor, separate washroom are available for girls and boys. 24 hours water is available with proper ventilation in the washroom.
- Ladies Gymnasium facility.
- Savitribai Phule Girl's Forum

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

Solid Waste Management:

- Tree leaves, lawn cutting etc, is used for decomposition by using vermin composting In campus solid waste collected in dustbin from Quarters, Mess, Hostels, classrooms etc. and emptied in haul Container. Haul Container transported in

vehicle on dailybasis Separation of dry and wet wasteSeparated waste is dumped at Pandharpur MunicipalCorporationdumping site.Landfilling, composting and Incineration system is followedasper requirement.Non-degradable waste is incinerated.

Liquid Waste Management:

- Waste water is collected through underground sewer system. Sewage treatment plant is available in the Campus whereallliquid waste is collected.Treated waste water is used for gardening.

Biomedical Waste Management:

- Very small amount of biomedical waste generated in campus like dispensary from bandages & dressings. And also fromchemical laboratories in college campus
- Disposal Method : - By incineration

E -Waste Management:

- E-waste generated are given to Kuldip E-Waste Disposal.

Hazardous Chemicals and radioactive Waste Management:

- It is not generated in Campus.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

Institute believes in equality of all cultures and traditions as is evident from the fact that students belonging to different caste, religion, regions are studying without any discrimination. Though the institution has diverse socio-cultural background and different linguistic, we do not have any intolerance towards cultural, regional, linguistic, communal socioeconomic and other diversities. With great fervor the national festivals, birth anniversaries and memorials of great Indian personalities like Savitribai Phule, Mahatma Gandhi, Dr. Bhimrao Ambedkar, Sarvepalli Radhakrishnan, Shivaji Maharaj etc. These functions help in developing tolerance harmony towards culture, region and linguistics and also communal socioeconomic and other diversities. Institute organizes two days Cultural festival every year. NSS unit actively participate in various programmes related to social issues. All the third-year and final year students are required to compulsorily complete the project that provides an opportunity for the students to work on social issues. The inspiring sessions are arranged from the eminent speakers.

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

Institute undertakes different initiatives by organizing various activities to sensitize students and employees to the constitutional obligation: Values, Rights, Duties and responsibilities of the citizens. The University has introduced a compulsory paper on the "Universal Human Values" and elective subject "Professional Ethics and Human Values" at Degree level across all engineering disciplines to create awareness and sensitizing the students and employees to constitution obligation. Every year Republic day is celebrated on 26th January by organizing activities highlighting the importance of Indian Constitution. Independence day is also celebrated every year on 15th August to highlight struggle of freedom and importance of Indian constitution.

7.1.11 - Institution celebrates / organizes national and international commemorative days, events and festivals

National festivals play an important role in planting seed of Nationalism and Patriotism among people of India. Institute celebrates these events with great enthusiasm to commemorate the ideology of nationalism and to pay tribute to our great National Leaders. The Faculty, Staff and Students of the institution all come together to celebrate these occasions and spread the message of Unity, Peace, Love and Happiness throughout. Following are some of the days which are celebrated: Republic day is celebrated on 26th of January, commemorating the adoption of Indian constitution and spreading the message that India is the largest democratic country in the world. Independence Day is celebrated every year on 15th of August, parade and flag hoisting is organized and is celebrated to mark freedom of India from British rule. Gandhi Jayanti is celebrated every year on 2nd of October to understand the ideology of our great leader Mahatma Gandhi wherein pledge is taken by students and staff. International Yoga day is celebrated on 21st June every year. The NSS committee organizes the yoga camp and a speech is conducted to make everyone aware on how Yoga embodies unity of mind and body; thought and action; restraint and fulfilment.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

BEST PRACTICE-1 Continuous Professional Training Program Objectives of the practice:

- To enhance the professional skills of students to improve their employability. To empower students with current Industry needs and job requirements
- To provide students possible opportunities to learn,
- understand and sharpen the real-time technical, managerial and life skills required at the job.
- To expose students to the engineer's responsibilities and ethics.

BEST PRACTICE-2 Blended Teaching & Learning Objectives of Practice:

- Institute has implemented blended learning environment in the institute which enhance teaching learning process in an innovative and effective manner.
- To improve and update the quality of education of the students.
- To increase student engagement in learning with no restrictions of time, place, and path
- To enhance student and teacher interaction.
- To provide students better opportunities for experiential learning.
