

Mechanical Engineering Students Association (MESA)

MESA, the Mechanical Engineering Students' Association of SKNSCOE, aims to play a pivotal role in the development of students as engineers by various out-of-curriculum and extra-curricular activities. MESA aims to inculcate among its members an awareness and appreciation of the various disciplines of not just Mechanical Engineering but also other relevant fields.

Foundation of MESA

The foundation and inaugural of Mechanical Engineering Student's Association (MESA) was held on April, 2012. The ceremony began with Lighting of lamps as a respect to Goddess Saraswati by

chief guest Dr. Kailash Karande, H.O.D. Thereafter our respected Principal Sir and H.O.D sir addressed to the students. The chief guest very charismatically spoke about Recent Development in Mechanical Engineering. The day also marked the felicitation of toppers of each year by senior staff members. Thus a great evening ended with the successful co-ordination of staff and MESA members

Prof.A S Kulkarni is going to visit south Africa

Prof. A S Kulkarni is going to visit Rwanda in South Africa . He will complete assignment of three months .During this visit , he will teach subjects of first year engineering in south Africa. There are lot wishes from students and faculty

members. As this is the first visit to foreign university from SKN Sinhgad college of engineering, Principal ; Dr. K J Karande congratulated him

Dear Students,

I welcome you all to SKN Sinhgad College of Engineering, which is housed in beautiful campus of 20 acres and developed under dynamic leadership of Hon'ble Prof.M.N.Navale. It is fully residential campus with excellent infrastructure and facilities. We ensure the overall development of students through well defined teaching learning process and skill based activities. Students will have an exposure for experiential learning through value based Education and on campus projects. We, the team of faculty members of SKNSCOE are committed to prepare our students as tomorrow's leaders to match the need of fast changing world. I expect active support from student & parent community to make SKNSCOE as a centre of excellence in Engineering Education. The teaching learning at SKN Sinhgad College of Engineering is student centric based on Learning Psychology and well supported by “Willing to Work” team of faculty members and our highly motivated students. The entire semester activities are planned and displayed at the beginning of semester by well prepared Academic Calendar.

All the departments at SKNSCOE are well equipped with all required hardwares and softwares. The fully fledged library with all required reference books, Journals, periodicals and having reading hall with 400 seating capacity is supporting with qualified staff. The campus has 10 MBPS internet connectivity and also E-Learning facilities are provided.

The continuous assessment is based on well defined internal assessment norms and supported by two unit tests during the semester. We have incorporated LCD presentation, GD, as regular co-curricular activities and performance of these activities are reflected in term work marks. Invited Lectures by experts from industries & academia, Technical Festivals, Workshop, Seminars are the regular activities conducted for overall development of students. Through the process of active Teaching-Learning and activity based learning, we are preparing our students to face tomorrow's challenges in globalized world.

To understand academic progress and individual problems, a scheme of Local Guardian Teacher for every 20 students exist in each department and this initiative helps for shaping our students as good human beings. Sinhgad Institutes are having Centralized Placement cell for all Engineering Colleges under Sinhgad aegis and we are confident for 100% Placement of our students at SKNSCOE. Wish you a bright future & success.
