Basics of Project Management in Construction - A Expert Lecture

SECOND YEAR STUDENT WELCOME & ORIENTATION PROGRAMME

GUEST LECTURE ON SOFTWARE APPLICATIONS IN CIVIL ENGINEERING

Trainer addressing Students

With full enthusiasm a Department of Civil Engineering, SKN SCOE, had organized a guest lecture on "Software Applications in Civil Engineering" for students. The Speaker for the lecture was Ms. Minal Londhe from Vernier Design Solutions Pvt. Ltd; Pune, which is a Pune based company that has specialized in training of Engineering software's in different domains.

Prof. C. P. Pise, Head, Department of Civil Engineering, SKNSCOE felicitated Ms. Minal Londhe. Prof. A. R. Shinde introduced the speaker & welcomed all the delegates to the lecture.

In her lecture Ms. Minal Londhe discussed current software's used in industrial applications in Civil Engineering field. She also introduced the participants to some case projects and challenges in the industry by using demos on software's like Auto CAD. Processes that are currently being used for different functions like land surveying, planning of building by using computer aided drawing (CAD) tools, Structural analysis & Design, estimation costing of projects,

quantity surveying, billing, etc. were explained in the lecture. She also shared her own experiences.

The Guest Lecture was anchored by Ms. Manali Deshpande, Final year Student, Prof. A. R. Shinde expressed vote of thanks.

A Feedback form was taken from the students. The students shown satisfaction on the guest lecture. Total 98 Students Attended Guest lecture.

“TEACHERS DAY” CELEBRATION

September 5th, birthday of Dr. Sarvapalli Radhakrishnan, was celebrated in by CESA. His footsteps, the teachers follow, are being proved on Teacher’s Day. The function was started with Saraswati Poojan and felicitation of All the teachers by the students.

The second session of the programme is the performance of students on stage exclusively for teachers was a memorable one. Students from SE,TE and BE exhibited their talents as a treat to the teachers. Dance, music, mimicry made the day explicable. The students took great effort and ensured that teachers enjoy every minute. All the students from Class SE (CIVIL) expressed their thankfulness to see their teachers and were full of beans.

Prof. C. P. Pise (HOD, Department of Civil Engineering) has addressed to the students regarding their Career in Civil Engineering, also discussed the opportunities for them and role of students in national growth and development. He also appreciated the organizing committee for their keen involvement in such a most excellent programme under CESA.

The function was concluded with vote of thanks by Mr. Ajit Mule (T.E Civil). The lots of efforts was taken by all CESA committee members and other departmental students to successful accomplishment of this program .

Hon. Principal Dr. K. J. Karande, Prof. C. P. Pise & other

Basics of Project Management in Construction – A Expert Lecture

Department of Civil Engineering, SKN SCOE, had organized an Expert lecture on “Basics of Project Management in construction” for students. The Speaker for the lecture was Mr. Sameer Alone, who is C.E.O. of INFINI Institute of Program Management; Pune. Which is a Pune based Institute providing value added programs specially designed for Civil Engineers.

Prof. C. P. Pise, Head, Department of Civil Engineering, SKNSCOE felicitated Mr. Sammer Alone and his team. Prof. D. D. Mohite introduced the speaker & welcomed all the delegates to the lecture.

In his lecture Mr. Sameer Alone discussed current issues regarding project management. She also introduced the different Value addition courses available at INFINI for the overall development of a Civil Engineering graduate, because after getting academic knowledge a graduate engineer should be do practical works in field also; for that he has to do some practical courses like Auto CAD, Quantity Surveying, Project Planning, MS Project, Prima Vera, etc.

Mr. Sameer Alone Addressing Students

He also explained some practical situation by some real examples from his life experience.

The Guest Lecture was anchored by Ms. Manali Deshpande, Final year Student, Mr. Vishal Gore, President CESA expressed vote of thanks. A Feedback form was taken from the students. The students shown satisfaction on the guest lecture.

SECOND YEAR STUDENT WELCOME & ORIENTATION PROGRAMME

Department of Civil Engineering had organised Parent—Teachers meet on 26th Sept 2015. Welcome and Introduction of Programme is anchored by Prof. Y. P. Pawar (PTM Coordinator), felicitation of parents representatives was done by Dr. C. P. Pise (Head, Department of Civil Engineering). The developments and summary of last year was presented by Dr. C. P. Pise to parents, followed by this interaction session between teachers and parents was completed. Parents representative Mr. Shinde, Mr. Shevale & Mr. Dhon shared their views about teaching learning process adopted by college and also give some valued inputs from parents
