

DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

VOLUME 5 ISSUE 1

OCTOBER 2017

An ACSES is the Association of Computer Science & Engineering Students, which was established in year 2012 with the spirit to spread technology of Silicon Valley at its easiest way. The main objective of the association is to provide a well platform for Computer Engineering Students where they face different level of Competition and also give them chance to show their talent.

Engineer's Day 2

Parent's Meet 4

Teacher's Day 4

Career Opportunities in IT industry

In Department of computer Science &

Engineering, two hours interactive session on

“Career Opportunities in IT after B.E.CSE”

was organised on 04/08/2017. Mr. Sanjay

Shinde was a resource person for this session.

Welcome and Felicitation of guest by Prof. N.M.Sawant, I/C HOD CSE. After our traditional lamp lightening ceremony, Prof.

S.B.Thigale Event coor-

dinator, performed

introduction about resource person to

audience. After introduction, Resource person

Mr.Sanjay took the charge & stated to share

his valuable 15 years IT Industry experience.

He focused mainly industrial Automation,

Support & IT Infrastructure opportunities in

relevant field. A lot interaction throughout

the session from student's side was appreci-

ated by Mr.Sanjay. At the end of the workshop

Prof. V.A.Dhotre delivered vote of thanks. On

this occasion, all the staffs and BE students

were present. This event was organised by Association of Computer Science & Engineering Students

ACSES 2017, under valuable guidance of

Prof.S.V.Pinagle HOD-CSE Dept

Cloud Computing and Data Analytics

Inauguration of “Cloud Computing and Data Analytics” Seminar

Computer Engineering division of The Institution of Engineers (India) Solapur local centre (IEI -SLC) organized a one day Seminar on “Cloud Computing and Data Analytics” on Wednesday, 27th Sept. 2017 at S.K.N. Sinhgad College of Engineering, Korti, Pandharpur. Total 92 students from SKNSCOE Korti and other colleges have attended this seminar.

The seminar was inaugurated by Chief Guest Er. S. P. Deshmukh, Director, IEI-Solapur Local Centre. The President for program was Dr. K. J. Karande

(Principal, SKN SCOE, Korti), and the Resource Person was Dr. A. C. Adamuthe (HOD – IT, R.I.T., Islampur (MH), IEI Associate Member-AM0982065). Er. S. V. Pingale (AM, IEI and Head, CSE) appreciated the initiative of arranging this seminar and also mentioned the opportunities in the Cloud Computing and Data Analytics.

Prof. R. A. Takalikar, delivered welcome speech and introduced the Chief Guest and the Resource Person of the program. Er. S. P. Deshmukh, introduced about IEI student chap-

ter and encouraged students to become a member of IEI. Dr. A. C. Adamuthe conducted the seminar very enthusiastically and gave basic knowledge of Cloud Computing, its types, access mechanisms, need of cloud etc. He also enlightened Data Analytics by taking various examples.

Prof. S. V. Koratkar (Convener) gave vote of thanks on behalf of Sinhgad Institute. All the faculty members of CSE Department took efforts to make this seminar successful.

Engineer’s Day Celebration

Engineer’s who is not merely knowing and being knowledgeable; engineering is not merely analysis; engineering is not merely the possession of the capacity to get elegant solutions to non-existent engineering problems; engineering is practicing the art of the organized forcing of technological change.

Engineer’s operate at

the interface between science and society. To identify the great works done by our hard working engineers each year 15th septemember is celebrated as Engineer’s Day marking the birth day of Sir Mokshagundam Visvesvaraya.

Our honourable principal Dr. K.J. Karande sir also come to department for giving his valuable words to our depart-

ment’s student. Also students from class SE, TE and BE exhibited their talents. Also under student association

Fresher's Party

August 31, 2017 was marked as an eventful day in the life of every freshmen at SKN Sinhgad College of Engineering, Korti. The Freshers' Eve 2017, organized by ACSES, (Association of Computer Science And Engineering Students) was an event that was filled with thrill, joy, music, excitement, laughter and happiness. It was attended by our honorary HOD Mr. S. V. Pingale, co-ordinator of ACSES Mr. Dhotre (Asst. Professor, CSE Dept.) along with varied faculty members and all the students of the freshmen year. The celebration started off, sharp at 3:45 PM with the national anthem followed by the wel-

come address. The Freshmen were formally welcomed into the SKNSCOE by our HOD. The energetic and enthusiastic emcees of the show were Omkar Nikate (President, ACSES), Sayli Gaikwad (Secretary, ACSES), Mubin Pirjade (Vice-President, ACSES), Parmeshwar Vyavahare (Treasurer, ACSES), Amruta Kusumade (Event Coordinator, ACSES) third year and B.E. students of the college. The program kick started with the introductory video of all teaching and non-teaching staff by the official music club of the department. The ACSES put up various performances like dancing, drama and introduction of various

councils to entertain the freshers along with all the cultural teams like. All the freshers were seen having a great time. Along the same lines, Mindbenders (Quiz Club), Infinity (Maths Club), Insignia (Art Club) and Illuminati (Literary Club) prepared their own little introductions for the freshmen. This year the ACSES had planned the Freshers' Eve in a very unique and special way. The highlight of the freshers' eve event was the Mr. and Ms. Freshers Competition. All the participants were eagerly waiting to know the results, the judgment was based on the confidence, impromptu answers and talent of the participants. The results were finally declared at the end of the program and the title for the Mr. Fresher 2017 had gone to **Mr. Gaurang Karve** and Ms. Fresher 2017 had gone to **Miss. Deshpande** The program concluded with the massive karaoke which was enjoyed by all. The Freshmen year thanked the HOD, staff and senior students for hosting such a nice program that they could cherish lifelong.

An Expert Lecture on "GSM & Networking Scenario of 4G"

Computer Science & Engineering Department organized an expert lecture Of Mr. Vinayak Chatke on 27-07-2017 from 03:00 to 5:30pm for T.E. & B.E. students. Mr. Vinayak delivered lecture on topic "GSM & Networking Scenario of 4G" this lecture was a

brain storming experience for the students of the department. He shared his wide experience of working on 2G to 4G. LTE stands for Long Term Evolution. It's a term used for the particular type of **4G** that delivers the fastest mobile Internet experience. You'll usually see it called

4G LTE. Using a **4G** Smartphone on Verizon's **4G** LTE

Parent's Meet

First Parent Teacher Meeting in the current academic year (2017-2018) was conducted on 23rd September 2017 at 11.00 am. Twenty eight parents (28) were reported for the meet.

The meeting started with the welcome address of Prof. N. M. Sawant. He briefed the gathering with a presentation on the general information about the institute/Department, activities carried out at Sinhgad College of En-

gineering, Korti and some achievements of students/staff.

Following the speech from Prof. N. M. Sawant, Prof. S. V. Pingale -Head, CSE Dept. requested the parents for the interactive session/suggestions. Parents have discussed on various issues like availability of sports facility in academic time table, A placement effort needs to be at local placement cell, Conduct test on single chapter.

HOD has addressed related with department facility, placement, value addition program, foreign fellowship, and how to achieve excellent in academics. Prof. R. A. Takalikar has given vote of thanks and parents meet all the teacher guardians and subject in charge and meeting is

Teacher's Day Celebration
