One Day Seminar on “Angular JS Technology” IEI Students’ Chapter (ISC)-CSE

Computer Engineering division of The Institution of Engineers (India) Solapur local centre (IEI -SLC) organized a one day Seminar on “Angular JS Technology” on Thursday, 29th March 2018 at S.K.N. Sinhgad College of Engineering, Korti, Pandharpur. Total 75 students and staff members attended the seminar.

The seminar was inaugurated by Chief Guest Er. B.S. Gandhare (AM, IEI). The President for program was Er. S. V. Pingale (AM, IEI and Head, CSE), and the Resource Person was Mr. Hunny Jain

(Trainer at Aedifico Tech. PVT.LTD, New Delhi. Er. S. V. Pingale (AM, IEI and Head, CSE) appreciated the initiative of arranging this seminar and also mentioned the opportunities in the Angular Java Scripting Technology. Prof. R. A. Takalikar, delivered welcome speech and introduced the Chief Guest and the Resource Person of the program. Er. B. S. Gandhare introduced about IEI students chapter and encouraged the students to become a member of IEI.

Mr. Hunny Jain con-

ducted the seminar very enthusiastically and gave basic knowledge of Simple Angular JS, Authentication with JWT, Setting up Angular App Login and Registration etc.

Prof. R. A. Takalikar (Convener) gave vote of thanks on behalf of Sinhgad Institute. All the faculty members of CSE Department took efforts to make this seminar successful.

EMERGING TECHNOLOGIES

SPSPM, SKN Sinhgad COE, Pandharpur, Department of Computer science and Engineering organized an expert programme for the Students at the institute premises on 21st Feb 2018. The major objective of the programme was to make all the students aware about the latest's Technology in the market, Need of IT Industry, and how students can plan their carrier.

The programme was inaugurated with the offering of garland and worshipping Goddess of Knowledge Maa Saraswati by the Chief Guest Shri. Shekhar Tulsibagwale (Director, FOCUS Datatech System Pvt.Ltd,Pune), with Institution Dignitaries Dr. K.J.Karande (Campus Director & Principal SKN SCOE), Prof.S.V.Pinagle (HOD, CSE Dept. SKNSCOE) & and all CSE Department staff.

Mr. Shekhar Tulsibagwale in his address

stressed on various academic issues with emphasis on meeting the industry expectations from Students to meet the continuous and ever changing demands of today's Industry & technology. He voiced the vision of FOCUS by emphasizing that the Institute's agenda is high but its commitment towards quality education, research for regional and national growth. He reiterated the primary goal of establishing FOCUS as a world class training institute. He welcomed the students on their exciting journey, to an opportunity to develop themselves as professionals contributing to the regional and national growth and development. While delivering the speech on the occasion, he said that it was not about the events but the attitude that caused success. One third of what constitutes a person is his genetic inheritance; another one third comes from the

kind of upbringing he /she receives and the remaining one third from one's own self. He also stressed the importance of dedication to one's profession and the need to have proper planning before taking up and implementing any project. In the last he wished all the best to students.

Vote of thanks was proposed by Student representative Mr. Pawan Barule (S.E.CSE) During this, he individually thanked to Chief Guest, Dignitaries, HOD'S & Faculty members. The programme was compered by Mr. Somnath Thigale & Mr. Deepak Koshti, Assistant Professor Computer Science & Engineering Department of SPSPM SKN SCOE Pandharpur.

Industrial Visit

One Day Seminar on IOT

Department of Computer Science & Engineering organized a one day Seminar on "Internet of Things" on Saturday, 24th Feb 2018 at S.K.N. Sinhgad College of Engineering, Korti, Pandharpur. Total 54 faculty members from various institutes had enrolled and attended this seminar.

Dr. Pariksheet N. Mahalle, Head, Computer Engineering, SKN College of Engineering, Vadgaon (Bk), Pune was present as the resource person.

Prof. S. V. Pingale, Head, Computer Science & Engineering, SKNSCOE, Korti felicitated and welcomed the guest of honor and resource person Dr. Pariksheet N. Mahalle.

Prof. V. A. Dhotre gave the introduction of the resource person.

Prof. S. V. Pingale addressed the entire present faculty and appreciated their presence at the seminar in such a huge number. He also stated that the need of attending such semi-

nars is must to shape and grace our career. He mentioned a special thank towards Dr. K. J. Karande, Principal, SKNSCOE, Korti for motivating and giving permission to conduct this seminar.

Prof. R. A. Takalikar did the anchoring of the program. Finally Prof. S. B. Thigale proposed the vote of thanks.

All the teaching and non teaching staff took the efforts to make this program successful.

Advanced Threat Defense

As per tradition session was started by performing welcome & offering bouquet to Mr. Mahesh by our beloved HOD Prof.S.V.Pingale. Session Introduction done by Prof. R.A.Taklikar where he briefed about academic & all details of Resource Person. Mr. Mahesh started his dialogue from example like Recent acts of targeted IT Attacks in various Nations reinforce the need for law enforcement, security, corporate, education and mental health professionals to be knowledgeable and skilled in

threat assessment and threat management. Many acts of targeted violence are preventable, making their eventual occurrence even more tragic. Of those perpetrators who have gone on to commit violence, many were known to their respective communities as being a potential problem. Threat assessment and threat management have been shown to be effective processes which not only identify a subject at risk but also can provide a road map for successful interventions. Also he focused on

Threat Assessment vs. Violence Risk Assessment, Warning Behaviors Within Threat Assessment & Domains of Targeted Violence.

Vote of thanks delivered by Prof. V.A.Dhotre at the end of Session.

'सिंहगड' मध्ये कॉम्प्युटर इंजिनअरींग विभागात व्याख्यान
