

# DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

VOLUME 10 ISSUE 1

October 2022

An **ACSES** is the Association of Computer Science & Engineering Students, which was established in year 2012 with the spirit to spread technology of Silicon Valley at its easiest way. The main objective of the association is to provide a well platform for Computer Engineering Students where they face different level of Competition and also give them chance to show their talent.

## Inside this Issue

- ❖ **Workshop 1**
- ❖ **Parent Meet 2**
- ❖ **Spectrum Event 2**

## One Day Workshop on “Application Delivery Network”

An application delivery network platform helps data centers speed up load times and the application delivery process. They also help IT teams solve problems faster and provide a better user experience. Application delivery networks bundle and deploy the technologies that improve network latency and security. They help streamline operations and optimize load balancing. “Application Delivery Network” was organized on 23/09/2022. It was organized by SKN Sinhgad College of engineering for students to understand Basic of Application Delivery Network & its importance. The Inaugural function is started on 09:30 am. Prof. Nitin Kulkarni from Red Education Pvt. Ltd., Pune were Chief Guest for the function. This provides platform that can understand all the aspects of Network & attacks of Network. Dr. K.J.Karande (Principal) share some thoughts with the students. Prof.S.V.Pingale (HOD) introduced about the program and /Prof.P.S.Gavali introduced the chief guest & Prof. N.M. Sawant given vote of thanks.
