An ACSES is the Association of Computer Science & Engineering Students, which was established in year 2012 with the spirit to spread technology of Silicon Valley at its easiest way. The main objective of the association is to provide a well platform for Computer Engineering Students where they face different level of Competition and also give them chance to show their talent.

# HACKATHON'9-19 24 Hr. CODEBATTLE

"2nd State Level Hackathon'9-19 24 Hrs Code Battle". This will be held in 20th & 21th September 2019. We have been organizing this championship for the second time in our City. This Event has helped to create a friendly atmosphere among all the students a platform to solve some of pressing problems we face in our daily lives, and thus inculcate a culture of product innovation and a mindset of problem solving. 23 Groups from Diferent part of state have participated includes 88 students. Different social and other problems have taken as a problem statements. Technology, Education, Agriculture & Rural Development, Health Care, Electronics & Telecommunication, Student Innovation like areas include the problem statements. At start of event the statements are distributed to student groups that was the key feature of the Hackathon'9-19 Event.

# Teachers Day Celebration

Inauguration of "Teachers Day Celebration"

Teachers play a major role in making their students responsible citizens of tomorrow and good human beings. It is impossible to imagine our lives without teachers. They are the cornerstone of our future. We can never thank teachers enough for their immense contribution in a student's life. Teacher's Day is celebrated to show our acknowledgement and recognition of the hard work put in by our teachers towards our development September 5th, 2019 birthday of Dr. Sarvapalli Radhakrishnan, was celebrated in our college as well as CSE department. His footsteps, the teachers follow, are being proved on Teacher's Day. The performance of students on stage exclusively for teachers was a memorable one. Students from class SE, TE and BE exhibited their talents as a treat to the teachers. Dance, music, mimicry and skit made the day explicable. The students took great effort and ensured that teachers enjoy every minute. Followed by the cultural program, was conducted by the students. All the students from Class TE, BE, and SE expressed their thankfulness to see their teachers and were full of beans.

# Engineer's Day Celebration

Engineer's who is not merely knowing and being knowledgeable; engineering is not merely analysis; engineering is not merely the possession of the capacity to get elegant solutions to non-existent engineering problems; engineering is practicing the art of the organized forcing of technological change. Engineer's operate at the interface between science and society. To identify the great works done by our hard working engineers each year 15th septemember is celebrated as Engineer's Day marking the birth day of Sir Mokshagundam Visvesvaraya.

Our honourable principal Dr. K.J. Karande sir also come to department for giving his valuable words to our department's student. Also students from class SE, TE and BE exhibited their talents.

# An Expert Lecture on Data Science

The term Data Science most often refers to the avail of predictive analytics or other developed methods to extract value from information and rarely refers to a particular size of the information set. The feature of precision in Data Science may lead to the confident and better decision making and this aid in developing greater operational efficiency, reduction in the cost and reduction in the risk. The Data Science includes the sets which are larger than the commonly used software tools to capture, curate and manage and process information within a defined time. The size of Data Science is continuously increasing as it has increased from few terabytes to petabytes. The Data Science represents the data assets characterized high volume, velocity, and variety to need specifically applied science and analytical ways for its change into value. At the last Prof. V.A.Dhotre delivered vote of thanks. Entire hosting and anchoring of session was done by TE Students Ms.Anuja Mule and Mr.Aman Verma. After this Session, Interactive session with all CSE Staff was carried at Boardroom with wide perspective on Research work, Publication, various Govt. Funding schemes followed by Lunch.
