### Action Taken Report on Curriculum feedback obtained from employer

ACADEMIC YEAR: 2018-19

Sr. No.	Parameters/suggestions	Action Taken
01	Students are not as per expectations in programming language.	Students are motivated to participate in different coding contests like hackathon. In addition to this, computer science department started 24 hours coding challenge for all branch students in order to create coding interest among students.
02	Student's confidence level is low during interviews.	The mock technical as well as HR interviews are started taken before campus placement drive.
