Kindly rate out students

Sr. No.	Particulars	Good	Fair	Adequate	Need to Improve
<b>Behavioral skills</b>					
1	Interview and Ethics	✓			
2	Self Confidence		✓		
3	Leadership		✓		
4	The overall Body language in the interview		✓		
5	The Punctuality of the students collectively	✓			
6	The opinion about professional dress up for the interview	✓			
7	The use of professional language in the interview		✓		
8	The students justified contributions in the CV appropriately		✓		
9	The organization of the CV of individual student	✓			

<b>Technical Skills</b>					
1	Programming Skill		✓		
2	Logical Reasoning	✓			
3	Analytical Skill		✓		
4	Aptitude		✓		
5	Conceptual understanding of Theory		✓		
6	Basic understanding of software Tools or Application	✓			
7	Students awareness about the new trends and launches in the software in the field		✓		
8	The preparedness of the students for the new technology	✓			
9	The preparedness of the students to research for better use of technology	✓			
10	Apply theory concepts across range of Practical applications		✓		

Training & Placement Officer  
SKN Sinhgad College of Engineering  
Korti, Pandharpur, Dist. Solapur.

### Analytical Skills

1	Thinking out of the box		✓		
2	Problem Solving		✓		
3	Explanation of the contribution and justification in Project and Seminar	✓			
4	Demonstration of overall planning and execution skill in the Project	✓			
5	Coming up with range of Opinions		✓		
6	Overall opinion about the students with respect to following ticked subjects you focused in the interview		✓		

### Core Subjects to be focused on (Please Tick):

Programming Languages	✓
System Programming	
Computer Network	✓
Database Management System	✓
Embedded system	
Digital Signal Processing	

Design and analysis of algorithms	✓
Operating System	
Software Engineering	✓
Information Security	
Digital and Analog	
Image Processing	

### Please give your valuable suggestions, if any.

Student quality: Students has capabilities to understand & be groomed. They need to improve on certain aspects, but they can be groomed.

Expectation from students: Students to focus on soft skills and basic concepts of technology

Expectation from College: College should create a curriculum from industry perspective and can be given to them to study in PL or holidays.

Student quality: Students are good in academy but need to work hard on basic programming concepts along with practical knowledge.

Expectation from students: Need to be more focused on basic programming concepts.

Expectation from College: • Arrange more conceptual trainings  
• Proper training on C/C++, Java, Angular JS to improve basic programming, designing skills.

**Please give your valuable suggestions, if any.**

Student quality: Communication Confidence, english, Market Knowledge is weak. Strong point is willingness to improve.

Expectation from students: They should join training cum placement offer given by us considering their skills missing and communication weak.

Expectation from College: please make only those students appear for further campuses who ~~are~~ have not received the offer by past companies. pls dont give many offers to one student.
