## Policy for Massive Open Online Courses (MOOCs)

Online education has broken the geographical barriers creating interaction of experts and students from far off places. This can be considered as the new normal, which is envisaged in New Education Policy as well. In this connection, the institute has implemented online courses through National schemes like SWAYAM, NPTEL, PrepInsta and Coursera etc. for our students and considering for credits earned against self-learning courses. Students are encouraged to do MOOC courses at the institute.

### Objectives:

- Global Accessibility: MOOCs break down geographical barriers, providing access to high-quality education for learners worldwide.
- Flexible Learning Paths: MOOCs offer flexible learning paths, allowing individuals to learn at their own pace
- Cost-Effective Learning
- Motivate to students for self-learning.
- Multi-disciplinary learning approach.
- Lifelong Learning Opportunities

### MOOC Platforms:

- **NPTEL/ SWAYAM**

SWAYAM is a programme initiated by Government of India and designed to achieve the three cardinal principles of Education Policy viz., access, equity and quality. Courses delivered through SWAYAM are available free of cost to the learners, however learners wanting a SWAYAM certificate should register for the final proctored exams that come at a fee and attend in-person at designated centres on specified dates.

- **Spoken Tutorial**
