RESEARCH PUBLICATION POLICY

Objectives:

The main objective of the research publication scheme/policy is to motivate all the faculty members of our institute to undertake quality research, and other research related activities.

The scope of the scheme is,

- To motivate faculty members to concentrate on research related activities in addition to the teaching so as to publish articles in reputed refereed international journals and conferences.
- To pursue efforts to write books, monographs for publication by International and National publishers of repute.
- To evince interest among the members of faculty so that they take efforts to establish collaborative research projects with their counterparts in reputed Indian/Foreign Universities.
- To encourage creativity in the minds of faculty, so that they make original contributions by way of products, concepts etc. and obtain patents.
