

The salient features of NPTEL Courses are as Below:

1. NPTEL (National Program on Technology Enhanced Learning) is Online Learning Initiatives by IITs and IISc, funded by Ministry of Education (MoE), Govt. of India
2. Enables the student to directly engage and **learn from the best faculty** (IITs and IISc) in the country in that particular subject. This strengthens the fundamentals of the student in the course.
3. Gives the students the opportunities to explore new areas of interest – which are not possible in **a regular college environment**.
4. The certificates issued bear the stamp of the IIT institute offering the course and hence are valuable additions when the students **apply for jobs**, also employable in the industry or pursue a suitable higher education program.
5. Companies can also **recruit** from this pool of candidates with **specialized skills**.
6. NPTEL is **Largest online repository** in the world of courses in engineering, basic sciences and humanities and management subjects.
